Effective Treatments Individually Customized for You

You have individual issues and concerns. So, each man's treatment plan is customized to effectively and efficiently address his needs. Many of the men's clinics popping up everywhere are a gimmick or offer services they are not skilled at providing. We are proud of our care, treatments, and the relationships we have with the men we serve.

Sexual Health Treatment Options

- **Testosterone Pellet Therapy or Testosterone Therapy** Testosterone deficiency can lead to declining erectile function and libido. Restoring testosterone to an optimal level supports more satisfying erectile performance and desire for intimacy.

- **Acoustic Wave ED Therapy**

Sound waves painlessly cause regrowth of the tissue, nerves and vessels, leading to better blood supply and overall erectile health. Get better on demand erections with this natural, non-invasive therapy.

- **P Shot®/Priapus Shot®- PRP Therapy**

PRP from your own blood is used to stimulate stem cell growth and heal the damaged, aged erectile tissues, vessels and nerves. Reduces or eliminate the need for ongoing use of erectile drugs. Enhances orgasmic sensitivity. Cures Peyronie's Disease pain and dysfunction.

- **Erectile Medication Injections & Prescriptions**

Dr. Bloy is a licensed medical doctor with knowledge of the most effective erectile injections and medications. If medications will be helpful and are desired, we can be prescribe them.

- **Medi-WeightLoss®**

Excess weight effects your health in every way. Losing weight benefits erectile performance and intimate health. With our medical weight loss team, you can lose weight fast and experience better health.

Who do I discuss my intimate issues with?

You will comfortably discuss your issues with a medical practitioner without embarrassment or shame - Our practitioners get our treatments, too!

Why choose Men's CHC for my treatment?

Word of mouth is how we get our new patients. Often, men come to us after being discouraged and getting only an empty wallet from other so called "experts". Thankfully, even if treatments with other providers failed, we are able to restore a better quality of life to men suffering from ED and low testosterone.

How can I get started?

Restoring optimal sexual performance and wellness begins with a phone call to a practitioner to share your intimate concerns and set up your consultation.

Do I have to commit to a contract, monthly fees, or membership?

No. We do not charge extra lab fees, outrageous monthly fees, or any membership fees. We simple charge you a reasonable price for only the treatments you choose and are honored you trusted us for your care.
